Shiloh Road Update

In the next 60 to 90 days, our contractor will complete the installation of the 12-inch water main in the northbound lanes along with the water and sewer lines in the Kingsley intersection.

We should also have the new 170-foot-long signal bridge constructed over the five-point intersection of Shiloh, Garland and McCree roads.

We Are Hiring!

If you, or anyone you know has experience working in street repair or construction, visit our [website](#) and apply today!
